The Devon Nicole House

F O U N D A T I O N

On July 30, 1999 a beautiful healthy baby girl named Devon Nicole came into this world. Five short days later she was called back to heaven. This may sound like the end of a story, but as it turns out, it is just the beginning of a remarkable journey....

Mission: The Devon Nicole House is a non-profit 501(c)3 charitable foundation dedicated to providing a home-away-from-home for families that have children receiving care at Children's Hospital Boston. We continue to support The Devon Nicole House at Children's Hospital Boston and look to provide additional help to families in need.

Baby Steps ..

by Devon's Dad

First, we wish all of you a Happy, Healthy and safe Holiday season. We also hope that 2006 brings you joy and happiness through out the year. Now, on to some updates.

We had the wonderful opportunity this summer to work with four **Margarita's Restaurants** during their Full Moon Madness. Margarita's and its employees firmly believe that giving back is something that should be done year round. Each month they pick a charity to spotlight and help by raising funds at each of their restaurants. During July, August and September they raised **over \$3000** for The DNH Foundation. Thanks go to both the Margarita employee's and the patrons that participated. With your support and through the various fundraisers this year we have been honored to donate more than **\$30,000** to the operational support of The Devon Nicole House at Children's Hospital Boston and over **\$10,000 in DNH Grants** to families that have stayed at the House.

The biggest development of the season though is the recently completed makeover of The Devon Nicole House by the truly gifted and big hearted **American Society of Interior Designers, a team of volunteers, friends, CHB staff and numerous donors.** Words simply can not convey the depth of my thanks for helping to create an even warmer and stronger feeling of HOME at the House. You gave from your hearts to families you may never know. Your generous spirit and talent are reflected in every detail of your work. Thank you. (See preview pictures inside.)

This year we began to focus on the DNH Foundation Grant program. As you will see inside this newsletter, the effects that this program has had on families have not only touched their lives, but also helped to inspire us to work even harder to help other families.

The journey continues. We thank all of you again for your support. Without you, we could not reach out to help so many others. **Please stay involved!** Right now we are actively looking for **2 new Trustees**, and volunteers to help us with Grant Writing and Development. We also need several **volunteers** to help with the upcoming **Valentine's Dinner**. If you would like to help, please contact tom@devonhouse.org or call us at (603) 594-1385.

Kids Day USA – On May 14, 2005, Parent Chiropractic Center hosted its fourth Annual “Kids Day America.” This was a day dedicated to children’s health and safety awareness. Events included fire safety, dental identification imprints, talks about karate and self defense, and some just for fun activities like face painting, crafts, massages and more. **FUNGO** from the **Manchester Fisher Cats** also made an appearance to help. The success of such an event is directly related to the effort of its volunteers. This year the event raised over **\$1500** for The Devon Nicole House Foundation. We’d like to thank Parent Chiropractic, their staff, and all the businesses and volunteers that made this years event the best yet. **THANK YOU.**

4th Annual DNH Golf Tournament – This years Golf Tournament raised **\$11,000** for The Devon Nicole House. A field of 120 players teed off under a cool June breeze and had a very good afternoon at the Sheraton Ferncroft Country Club. Both the lunch and dinners were delicious. The silent auction and awards capped off the evening. This year’s 1st Place Team was from Children’s Hospital Boston. (Dr. David Fulton, Glenn Stewart, Gary Horne, Greg Drummer) Please check out the DNH website for details of next year’s event!

Carleton Sheets Award – Long time DNH supporter and friend Carleton Sheets took time to recognize several of his students at a September awards banquet in Naples, Florida. Among the awardees were DNH founders Thomas and Deanna Missert. Special thanks go to both Carleton and his staff at The Professional Education Institute (PEI) who early in July made a very generous donation to The Devon Nicole House Foundation.

AMAZING MAKEOVER!

The Devon Nicole House at Children's Hospital Boston and the families that stay there received an early Christmas present the first week of December. The **American Society of Interior Designers (ASID)** teamed up with Children's Hospital staff and hundreds of volunteers to make The House even more of a home to the families that need to stay at the house while their children are being treated at Children's Hospital Boston. The transformation was truly amazing and was miraculously accomplished in one short week. The rooms reflect the hearts, love and beauty of each and every person that worked to make this gift a reality. Thank you.

To ASID, your friends, donors and all those involved,
THANK YOU!!

We greatly appreciate the work, time, and effort spent on this amazing makeover.
